

INSETA Business Continuity Programme - **Brokers**

The Johannesburg Business School Centre for Entrepreneurship invites Brokers to enroll in the INSETA Business Continuity Programme. This programme is designed to equip participants with essential strategies and tools to ensure resilience and adaptability in the face of industry challenges. Brokers will gain valuable insights into maintaining operational stability and delivering consistent service in a dynamic environment. We encourage all interested individuals to take advantage of this opportunity to strengthen their expertise and safeguard their businesses.
